The content written by the Contentio. This app is the best and looks like it has been written by a human. It is intelligent software.

If you want **an SEO writing tool that is easy to use**, this is probably the most straightforward one to learn.

After testing dozens of the new ai copywriting tools, I feel **Contentio offers the right balance between offering a simple interface and generating useful, accurate copy.**

Worth every penny and super easy support. Happily recommending this app and looking forward to seeing how they grow!

As an e-commerce business introducing hundreds of new products each month, we needed **a solution that could be quickly implemented to address our content needs.**

Contentio is hands-down the best AI writing tool you could fathom in a space like this. We're glad to have found a tool that's reliable & scalable for our business needs.

Now, It's Crystal Clear That...

## **Every Business Owner Needs 100% SEO Friendly, Plagiarism Free Marketing Content To Get More Engagement For Their Offers**

There's no running round the bush on this fact as even a majority of Fortune 500 companies invest heavily in content marketing activities in their yearly marketing budget.

So, it's safe to say that even if you have the most in demand product or the most sought after service, but if you're unable to get audience attention & drive maximum traction on your offers, then all your efforts are literally worthless, PERIOD.

### **Here Are Some Mind Blowing Numbers To Add Weight To This Growing Trend-**

- ✔ 84% Business Owners In USA Will **Increase Their Content Marketing Budget In 2023**
- ✔ Content Marketing Yields **300% More Leads For Businesses Year On Year**

**Click Here To Get Started Now!**

Grab Your Copy Before It Expires

✔ 68% B2B Business Owners **Reported Higher Website Engagement By Using SEO Optimized Content In 2021**

## ***BUT,*** **Here Are Some Big Problems You'll Face...**

- ✘ Creating 100% SEO Optimized Content Needs Countless Hours of Writing & Lots of Research
- ✘ Outsourcing It to Freelancers Costs Thousands of Dollars & Weeks or Even Months to Get Real Output
- ✘ Top Content Marketing Agencies Are Darn Expensive & Charge Thousands of Dollars
- ✘ With Latest Google Updates, Most of the Content May Get Outdated Very Soon, & You Need to Start All Over Again
- ✘ Getting Higher SERPs for Your Offers Using Mediocre Content is Practically Impossible
- ✘ Testing the Quality of Content Created is a Cumbersome & Time Consuming Task

### ***Dear Aspiring Marketers,***

It doesn't matter what business you have or what niche you are operating in, you need to **capture attention of your customers fast** else nobody is going to remember you and this is where **Search Engine Friendly Content** come to your rescue.

With years of experience in creating high converting & super engaging marketing content for our offers, we have come across **hundreds of clients struggling to make sales and profits** by complicating this process.

Plain and simple, you need to use **fresh & attention grabbing content to engage customers &** to go a step beyond your competitors.

And, if you're **sick & tired of constantly paying each month to money sucking third parties** that are only focused on robbing your Hard-earned money with copy pasted content, you won't be able to sustain in the long run, PERIOD.

**Now Here's Another Shocking Fact...**

***More Than 86% Business Owners Are Paying \$2k-\$5k Bare Minimum Every Year To Freelancers & Third Parties For Getting 100% Actionable & Plagiarism Free Content For Their Marketing Campaigns***

So, **we've come up with a brand-new, 100% newbie friendly technology** that helps to out of this menace & save tons of time and money in the process.

Yes, this never seen before technology helps you to cut through the noise & start getting real results with...

- ⊗ No Content Creation
- ⊗ No Plagiarism Issues
- ⊗ No Tech Or Writing Skills
- ⊗ No Manual Work

## Raving About Contentio

I almost couldn't believe it was real! For my first testing I had Contentio generate some website copy for me.

I immediately shared the results with a friend who couldn't believe it was written by an AI. Contentio is worth every penny and then some!

I was anticipating useless gibberish, but was instead genuinely dumbfounded.

from the originality of the content. I have PAID professional copywriters for MUCH worse.

Excellent support staff helped me to pick some Niche ideas as well . I highly recommend this SaaS. Cheers to Contentio Team!

If you need a tool to help you overcome writer's block, rank higher on search engines, and create content for you on-demand, Contentio is the right one.

Getting this right is arguably even more important because your content must be engaging, accessible, and spark curiosity with your audience.

Irrespective of what you are looking to achieve, you'll find Contentio a perfect content writing software that caters to your needs. It helps automate your content creation process and lets you get more done in less time.
